Tuition and Registration

Queen City Ballet has five 7-week semesters divided into 9 payments due on the 1st of each month. All students must register and pay a **\$20 non-refundable annual registration fee**. Tuition is to be paid by Auto Draft from your debit or credit card. If you elect to make your payment in office monthly instead of by Auto Draft, a 5% administrative fee will be applied. A 10% fee will be applied to all late payments. There is a \$25 charge for all returned checks. If payment is not received by the end of the month in which it is due your student will not be able to continue classes *unless* you make payment arrangements with QCB.

Initial: _____

4.

Refunds and Make-ups

A 30-day notice is required to cancel classes to avoid paying the next month's tuition (the only exception to this rule is if the dancer is unable to participate for medical reasons and a doctor's note is handed into the office). Make-up classes for holidays and sick days must be taken within 30 days and taken only within the appropriate level (assigned by teacher). Classes are subject to cancellation or combination with another level if fewer than 6 students are registered and paid.
